Product Name: Water Soluble Laundry Bag
Model NO.: LY-WSLB002
Appearance: Folded
Material: PVA
Application: Hospitals & Nursing Homes
Feature: Dissolvable in Cold and Hot Water

Closure Style: Drawstring
Use For: Apparel
Visibility:Visible
Style:Simplicity
Use: Infection Control
Disposable :Yes
Characteristic: Non-Toxic, Biodegradable
Trademark: LY

Dissolvable in water:
cold, warm , hot and extremely high temperature.
Fast medium and slow dissolution.
Biodegradable and compostable in landfill and sewage water.

Safe and non-toxic:
1.PVAL has safe toxicity and ecotoxicity.
2.Harmless to people, animals and plants.

In Übereinstimmung mit :
1.Skin irritation tests:
2.Microbial barrier performance tests:
3.Moisture resistance an drop tests:
4.Disinfection effect tests:
5. Biodegradation in sewage
6.Biological toxicity tests for plant:
7.Heavy metal content test.

Paket:

Package:25pcs/bag, 200PCS/Carton
Transport Package: Standard Packag
Origin: China
HS Code: 39232900
Production Capacity: 500000PCS/Month
