## Notre usine:

Although our company Established in 2010, we have exported our products for many countries. Our factory covers an area of 10, 000 square meters, which has three parts for raincoat. One is for PVC fabric goods, one is for EVA fabric goods, and the other for disposable and fabric. There is large scale (over 500000pcs/month) production per month. Lanyuan still devote itself to the development cost-effective and customer-friendly products.

Any interesting welcome to contact us for the product and samples.
