FAQ

1, Do you provide samples to check the quality firstly?

Yes, samples are available.

2, Can you do customized sample?

Yes, we can custom sample as you required.

3, How about sample time?

Usually it's about 7-15 days, and it depends on the designs and quantity.

4, Could you do OEM&ODM service?

Yes, we can custom your own logo and designs.

5, How about the MOQ?

We accept small order quantity, so our MOQ is low. You can contact us for details.

6, How does your company do regarding quality control?

The quality depends on the price. We have thousands of products, and we can't promise that all the products have the same quality. We need to satisfy different customer's requirements, some one needs high quality, but some one needs low price, it's according to your requirem
