Product Name: Water Soluble Laundry Bag

Model NO.: LY-WSLB002

Appearance: Folded

Material: PVA

Application: Hospitals & Nursing Homes

Feature: Dissolvable in Cold and Hot Water

Closure Style: Drawstring  
Use For: Apparel  
Visibility: Visible  
Style: Simplicity  
Use: Infection Control  
Disposable : Yes  
Characteristic: Non-Toxic, Biodegradable  
Trademark: LY

**Dissolvable in water:**

cold, warm , hot and extremely high temperature.

Fast medium and slow dissolution.

Biodegradable and compostable in landfill and sewage water.

**Safe and non-toxic:**

1.PVAL has safe toxicity and ecotoxicity.

2.Harmless to people, animals and plants.

**In conformity with :**

- 1.Skin irritation tests:
- 2.Microbial barrier performance tests:
- 3.Moisture resistance and drop tests:
- 4.Disinfection effect tests:
5. Biodegradation in sewage
- 6.Biological toxicity tests for plant:
- 7.Heavy metal content test.

**Package:**

Package: 25pcs/bag, 200PCS/Carton  
Transport Package: Standard Packag  
Origin: China  
HS Code: 39232900  
Production Capacity: 500000PCS/Month
