

SMS SMMS Sterile Surgical Gown

Product Show

Disposable surgical gown, SMS/SMMS surgical gown, Non-woven surgical gown

The critical zones including arm and chest areas are protected by fabric reinforcement with an additional strong and breathable SMMS. The seams on the sleeves are ultrasonic sealed to avoid fluid penetration through pin holes.

Function medical folding of the gown ensures safe handling under sterile conditions. There are SMS, PP+PE and impregnated paper pad available, with our great and exquisite craftwork, the reinforced gowns will give your maximum protection. Meets ASTM test for viral penetration (ASTM F1617) and ASTM test for blood penetration (ASTM1670). Earns AAMI Level 4 Protection as basic requirement.
