

Functions:

- 1.Vaginal Tightening
- 2.[Vaginal Rejuvenation](#)
- 3.Vaginal Lubrication
- 4.Vaginal Protecting

Product datas:

Item	Vaginal Rejuvenation Vaginal Tightening Co2 Laser Beauty Machine
Type	Laser
Laser Type	CO2 Laser
Power	15W
Laser wavelength	10600nm
Output	Single point, Continuous, Super pulse, dot matrix
Cutting head(50mm,100mm)	2+4
Pulses energy	0.1-180mj (adjustable)
Output figure	Square,Triangle, Hexagon, Circle, Oval, Rectangle
Figure square	0.1mm*0.1mm-20mm*20mm(adjustable)
Working voltage	AC:220V/110V±10%, 50Hz/60Hz
Laser tube	Glass tube
Light Guide System	Seven Joints arm
Screen	10.4 Inch Color Touch Screen
Color	Silver
Warranty	1 year and lifetime technology support
Size(machine)	300*700*350(mm)
Weight	≈30kg
Application	Beauty salon/clinic/hospital

Advantages:

- 1.Minimally invasive, virtually painless procedure and fast recover.
- 2.9 kinds of different treatment head can meet the demands of varied Customers.
- 3.Maximum precision with great WEESON CO2 laser, the right wavelength and perfect pulse.
- 4.Fast and efficient delivery of fractional laser energy split into micro pixels.
- 5.No post treatment downtime.
- 6.Different housing with different color can make the style of machine matches the style of your hospital, clinic and salon.
- 7.Water temperature and water flow alarm system, keep machine from unexpected damage.

Packaging&delivery:

Packaging	Export standard wooden box and polyfoam
Delivery	Based on your order quantity
