Product Name: Water Soluble Laundry Bag

Model NO.: LY-WSLB002

Appearance: Folded

Material: PVA

Application: Hospitals & Nursing Homes

Feature: Dissolvable in Cold and Hot Water

Closure Style: Drawstring

Use For: Apparel

Visibility: Visible

Style: Simplicity

Use: Infection Control

Disposable : Yes

Characteristic: Non-Toxic, Biodegradable

Trademark: LY

Dissolvable in water:

cold, warm , hot and extremely high temperature.

Fast medium and slow dissolution.

Biodegradable and compostable in landfill and sewage water.

Safe and non-toxic:

1.PVAL has safe toxicity and ecotoxicity.

2.Harmless to people, animals and plants.

Согласно с :

- 1.Skin irritation tests:
- 2.Microbial barrier performance tests:
- 3.Moisture resistance an drop tests:
- 4.Disinfection effect tests:
5. Biodegradation in sewage
- 6.Biological toxicity tests for plant:
- 7.Heavy metal content test.

Упаковка:

Package:25pcs/bag, 200PCS/Carton
Transport Package: Standard Packag
Origin: China
HS Code: 39232900
Production Capacity: 500000PCS/Month
